

Dear Mr. Darling,

Thank you so much for coming to our class at Mass Mutual Children's House. We had a fun time listening to you read The Magic Dreidels. You are an awesome reader. We liked learning about Hanukkah from you!

We loved the papers you gave us. The maze was so cool. We also liked the candle search paper. Thanks!

What a special gift the dreidels were! We spun them all afternoon. We love them. Thank you for them.

Please come back again!! We love it when you come. We love you, too. We are happy you are our friend. Come back any time.

Love,
