

Gary L. Fialky, Shareholder

"For the past 37 years it has been my pleasure to practice business and corporate law with Bacon & Wilson. Currently chairman of the department, I am fully committed to my clients and the local community. I believe that whenever one takes from the community, one must give back, in order to maintain a healthy environment for all. I enjoy a great pride in my work and commit myself to being available to my clients at all times."
