

Jocelyn A. Roby, Associate

"As a longtime resident of Western Massachusetts and an experienced real estate attorney, it's gratifying for me to help clients fulfill their housing needs. I do it all—everything from helping young families purchase a first home, to assisting retirees with downsizing, to representing the interests of both tenants and landlords in housing court. My practice is focused right here where I live, which means clients are also neighbors and friends."

Areas of Practice:
Real Estate & Zoning
