

Mark J. Beglane Shareholder

"I enjoy helping clients achieve their goals, advising them on the procedures, time frames, duties, responsibilities, obstacles, and pitfalls involved. Whether it be a simple home closing, eviction proceeding, a complex commercial closing or a development project, my goal is to provide my clients with all the information they need so that they can make an informed decision when seeking their ultimate objective. It gives me great satisfaction to see my clients succeed in achieving their goals."
