

Rebecca M. Rivaux

Associate

"My practice is focused on keeping clients informed about all their options in the bankruptcy process. I understand the emotional toll on individuals and families receiving frequent letters and calls from creditors, or who may have had property repossessed or wages garnished. I work hard to ensure that clients filing Chapter 7 or Chapter 13 are educated about what they can expect. My experience with foreclosure actions also gives me valuable insight into the bankruptcy process. There is light at the end of the tunnel. I'm here to help."
