

UPDATE CONCERNING COVID-19:
Masks Required as of August 9, 2021

The health and safety of our clients and employees is of the utmost importance to Bacon Wilson. We are monitoring information as it becomes available from state and local authorities and the CDC. We will be following recommendations in accordance with the Commonwealth of Massachusetts, and as noted below.

WE ARE OPEN

As of May 29, 2021, our offices have returned to regular hours of operation, 8:30 a.m. to 5:00 p.m., Monday through Friday, across all five of the firm's locations in Springfield, Amherst, Hadley, Northampton, and Westfield.

WE ARE MASKING

As of August 9, 2021, a mask is required in common areas of the firm for all employees, clients, and visitors, regardless of vaccination status. Masks are also required for meetings.

WE ARE CLEANING

The public areas of our offices are being wiped down after each meeting. Restrooms with soap and water are available in all our offices, as well as hand sanitizer in our reception areas and conference rooms.

WE ARE CONNECTED

If you have a meeting coming up and prefer not to visit the office, we will do our best to accommodate virtual meetings as we have done the past year.

We remain in this together and will continue to monitor state and federal guidelines regarding the virus, and make adjustments accordingly.

Thank you.
