

Viktoriia R. Protsyk

Associate

"My primary concern as an attorney is clear communication with clients. I want to help people understand the potential impact of their estate plans, and I work hard to create a customized plan based on the desires and circumstances of each family or individual. I am fluent in both Russian and Ukrainian, and am gratified to use my language skills to assist clients in their languages of origin. Clear, open communication with clients means we can work together to plan for the future."
