SHAREHOLDER

"Some attorneys are very aggressive or antagonistic, trying to intimidate those on the opposing side of an issue. That doesn't work for me. I would rather be friendly and open in my quest to find a resolution that satisfies both sides. I prefer to negotiate rather than take a hard stance, and I believe that this preserves the integrity of all parties."

Donna is a member of the firm's real estate department and handles all types of commercial and residential closings for buyers, sellers and lenders.

Her additional specialties include: domestic relations, estate planning, estate administration, commercial loans, landlord and tenant
