# Stephen N. Krevalin

**SHAREHOLDER**

*"I have learned that it is critical to listen to my clients and hear their main concerns. Then I can offer an overview of the law that addresses their concerns in the proper perspective. My domestic clients are fraught with emotionally charged troubles, so it is important for me to get a clear picture before mapping out legal strategies. In addition, my corporate clients need a distinct plan of action, and that is also best determined through careful consideration of their concerns and issues. I am committed to result-oriented policies. We are renowned for an exemplary work product and a zealous representation of our clients, and I am proud to uphold that tradition."*

Stephen works with clients on matters related to all aspects of real estate and business law including real estate purchase and sales, development, and leasing agreements, and has extensive experience in the area of shopping center/mall representation. Stephen led the firm as Bacon Wilson's managing partner for 14 years, from 2002-2016.
